GLOBAL TECHNICAL SUPPORT

Engine → Contract Evaluation

***GTS** offers substantial experience in engine management, from T&M to Fixed Price contracts.*

We have established key solutions to negotiate contracts with MRO's and OEM's for each individual customer, based on current market conditions. Some of the factors to be considered:

- Handling fees*
- Penalties*
- Guarantees*
- TAT*
- Material Caps*
- Payment Conditions*
- Leasing Engine Support*
- EGTM / Time-on-Wing*
- Labor Costs (Flat Rates vs Straight Man-Hour costs)*
- Price Escalation*
